Thanks to subsidies provided by **Stand with Us** and **The Israel Project (TIP)**, **Artists4Israel** Executive Director Craig Dershowitz and his artists will come to The Lerner Jewish Community Day School to work with the Lerner School students to create a mural that will proudly display the Lerner School's ongoing love for Israel.

In addition, the Lerner School students will create "Healing Arts Kits" for children in Israel who are healing in hospitals and those healing from the fear felt hiding in bomb shelters.

Join us 1:30 PM as the mural is unveiled!! Craig Dershowitz will also address our families and friends about his work and his organization. At 2:15 PM, The Lerner School students will join us for the final Sing-a-Long of the year.
