A long, narrow, rectangular metal object, possibly a knife handle or a decorative piece, with a textured surface and a central embossed design. The object is oriented vertically and has a slightly wider top and bottom. The central design consists of three vertical, slightly curved lines that resemble a stylized 'W' or a set of three parallel blades. There are small circular holes at the top and bottom edges.

[illegible]

Note: non-Kosher photocopies are available at no charge

A long, narrow, vertical decorative object, possibly a comb or a small mirror, featuring a green and gold patterned design with blue accents. The object has a light blue or turquoise border at the top and bottom. The central part is decorated with a repeating geometric pattern in green and gold, with small blue circular accents. The object is shown against a white background.
